MERIT QUALITY CERTIFICATION has been established in the Year 2010, with a mandate to offer ISO 9001:2008 QMS Services to the Corporate, Business Organizations, Micro Units and Government sectors. Merit Quality Certification has established office at 901, Sector 15-A, Faridabad.

MERIT QUALITY CERTIFICATION is focused in providing ISO 9001:2008 QMS Services, Witness Inspections and Training to our Clients through highly Experienced Professionals and Auditors so as to undertake turnkey contracts for customer specific requirements and provide highly optimized solutions in line with the requirements and budget to the entire satisfaction of clients.

We believe in systematic, continuous improvement approach that focuses activities on reducing wastage of Man hours, while aligning ourselves to overall growth strategy with an intention to adopt continuous improvement culture. We shall try to eliminate wastages, thereby, reducing cost of resources, which add no value to our esteemed customers, thereby extending the benefit to our customers.

In a short span of time, we have already earned the trust of many Associations / Organizations and individuals for their ISO 9000 QMS requirements.

We strive to provide value addition through best Quality auditors and are committed to share our expertise and skills.

Basic mission of Merit Quality certification is to provide ISO 9000 QMS services with an emphasis on value Addition to our Clients through highly qualified professionals, so as to meet the aspirations of Small Business Organizations and Micro Units.
